WALTZ

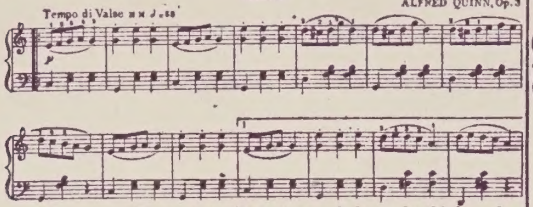
ALFRED QUINN, Op. 3



A very useful set of teaching pieces of the early third grade. They are bright, original and melodious. In addition, each has a decided technical value. "On the Lagoon" is a graceful 6 8 movement. "Sicilian Dance" is a lively 2-4 movement, with a lyric episode in 4-4 time. "In Fairyland," quoted above, is a rippling waltz movement.

Grade IV..... .40

A fine example of the higher grade of modern popular music by a favorite German composer. It ought to make a close rival to the famous piece with the same title by Moszkowski. Introduces some octave work.
